(Fund Raising in Kind or Money)

WEST Education & Social Trust (R)
Bengaluru, Karnataka, India
<https://westrust.in>

This is a request and an appeal to all our friends to help us raise funds for West Education & Social Trust.

We have recently been adversely affected with the pandemic, which has created a havoc in the life of the needy; many people have come down to streets begging, which makes WEST very concerned and the reason for this APPEAL!

Raising donations or sponsorship we – WEST Education & Social Trust can help the humanity by utilizing these funds appropriately to the cause. Even the smallest amount at this time will help us to take this journey ahead. Be our Partner in this great initiative, which will bring us a blessing in disguise!

We are raising funds for a social cause to benefit our under privilege society which is the need of the hour!

Acknowledging the importance of donor funding, we have compiled fantastic opportunities in areas of Women Empowerment, Transgender Skill Training Programs, Community development, Healthcare, Youth development, Peace building, Water and Sanitation, Gender, Human rights, Technology, Environment, Go Green Conceptualization, grow (Cancer) medicinal plants, Adult Education, Adoption of villages, and social research to benefit Indian NGOs and Individuals.
